TERMS AND CONDITIONS

- By proceeding with a booking (evidenced by making a payment) you signify that you agree with our terms and conditions outlined below and as may be varied from time to time.
- Upon acceptance of the booking by the supplier a deposit of 50% of the total cost of the amount quoted must be paid within four (4) weeks of the date the booking was made. In the circumstance where we have accepted a booking at short notice the deposit must be paid within 48 hours.
- For wedding cakes, the balance of the purchase price must be paid two (2) weeks prior to the event and, for all other cakes, the balance must be paid one (1) week before the product is required.
- No order will commence until a deposit has been paid. Any changes to your order after the booking has been made may result in your quote being revised.
- Payments can be made by cash, or eftpos via the Ben Ean Patisserie. If full payment has not been received by the due date, goods will not be available for collection.
- Cancellations or change of date must be notified in writing and the new date will only be accepted subject to availability. Any updates, corrections or changes to your order must be notified in writing by no later than two (2) weeks before your event.

If you cancel your order after the deposit is paid, a refund may be available. For short notice cakes, the deposit is non-refundable.

- You are welcome to supply your own decorations such as figurines, ribbons or flowers subject to the following conditions:
- You must ensure that any items that you supply meets hygiene and safety standards. Any item that is not considered by us to meet these standards will not be used under any circumstances.
- If you supply any items for the cake you are responsible for ensuring that there is a sufficient quantity of the correct type, size and style for the design of your cake.
- If you supply a figurine for your cake it must be able to be attached easily to the cake and should be capable of standing alone or being fixed with supports.
- Fresh flowers must be individually wired and taped with florists tape. If your flowers are not supplied in this way we may reserve the right to refuse to place them on the cake.
- Posies or bunches of flowers must be wired and taped in a similar manner to individual flowers.
- You must ensure that sufficient flowers are ordered and supplied by your florist. Any poor quality or damaged flowers supplied by you are your responsibility.
- It is possible that cakes, decorations, fondant and other items may come into contact with nuts, soy, milk, wheat and other items that cause allergic reactions.
- You agree to advise your guests or anyone else who may come into contact with our products of this possibility and to indemnify us absolutely for any allergic reactions that may occur.
